

TSEP Funding Issues Meeting Planning

The LRP working group (LRPwg) may wish consider one final meeting, in either a regular meeting or a conference call, to finalize the work on the Treasure State Endowment Program (TSEP) funding issues. I believe that it would be in the best interests of the working group to submit a recommendation to the full Legislative Finance Committee at the October 2008 meeting. I have looked at the Outlook schedules of key Department of Commerce and Office of Budget and Program Planning personnel, and determined that most of the individuals required to be present to finalize the efforts of the working group will be available at the following dates and times (as shown in blue):
